MEETING GUIDELINES

The following guidelines apply to today's Planning and Zoning Board Meeting:

- Pursuant to emergency management powers as set forth in F.S. §§252.31-252.90, Governor Ron DeSantis issued Executive Order 20-69 (March 20, 2020), suspending the "Florida's Government in the Sunshine Laws" requirement that a quorum of the legislative body holding a public meeting be met in-person and that the meeting be held at a physical location accessible to the public for the duration of the State's Declaration of Emergency issued on March 9, 2020 (Executive Order 20-52) as a result of the COVID-19 pandemic affecting the State of Florida. The nation and the State of Florida remain in a state of emergency. The Governor has extended the declaration every 60 days, as required by law, since the execution of Executive Order 20-52. The latest extension made through the execution of Executive Order 20-276 (November 3, 2020).
- Notwithstanding the continuing statewide threat of COVID-19 to the health, safety and welfare of our citizens, Executive Order 20-69, issued specifically to allow local governments to use communications media technology to hold public meetings during the public health emergency, has expired as of 12:01 a.m. November 1, 2020 (Executive Order 20-246). As such, all public meetings in this City of any deliberative body must comply with the in-person quorum requirement of the Sunshine Law. This means, all Planning and Zoning board members must be present in-person.
- A limited number of members of the public will be allowed to be present at the location of the meeting considering the physical spacing limitations of the location to observe social distancing. As such, only 15 members of the public will be allowed to attend in person any scheduled meeting of the Planning and Zoning Board held in the Chambers on a first-come-first serve basis. Based upon anticipated in-person attendance of any meeting, the City will provide additional space at City Hall to accommodate the public and provide both viewing and participation capabilities. In addition, all public meetings continue to be broadcast live for members of the public to view on the City's Facebook page. As an additional alternative, members of the public may hear the meeting live through telephonic conferencing.
- Any person of the public wishing to participate via the web platform, telephonic conferencing or physical presence at City Hall, who is interested in making comments or posing questions on any item on the agenda may do so during the meeting. The person
