City of Hialeah

Honorable Mayor Carlos Hernandez
And Council Members
City of Hialeah
Hialeah, Florida 33010

RE: Request authorization to expend funds from L.E.T.F. Federal account 127.1000.521.640 in an amount not to exceed \$22,054.75 for the purchase of twenty-five Stream light TLR1-HL weapon light, twenty-five Trijicon red dot mount and twenty Glock 17T training pistol.

Dear Mayor Hernandez and Council Members:

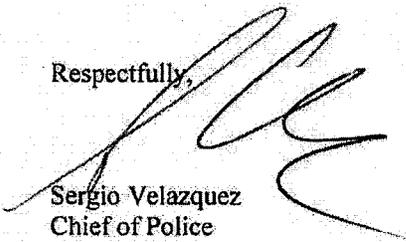

The Charter of Hialeah states that contracts in amounts greater than \$15,000.00 shall be awarded on the basis of specifications and formal sealed bids. The Council may award a contract to the lowest responsible and responsive bidder, or it may reject all bids and re-advertise; or it may waive competitive bidding when it finds it to be the best interest of the City.

Situational training has proven to take officers to the edge and encourage them to perform more realistically whereas Force-on-Force training will expose flaws and bad reactions while in a simulated environment. High stress levels and the resulting drop in accuracy, situation awareness and thought-through reactions show officers what they need to expect when real situations go bad. The purchase of the Glock17T training pistol along with the stream light TLR1-HLweaponlight and Trijicon red dot mount will be utilized for reality-based tactical operations training using color marking or plastic projectile ammunition.

Lou's Police Distributors, Inc. is the lowest quoted vendor and is in good standing in the State of Florida and is an active corporation.

The remaining available balance in Law Enforcement Trust Fund State account #127.1000.521.640 after this request is \$ _____, as of agenda deadline.

Respectfully,

Sergio Velazquez
Chief of Police
