TIME: 12:30 Pm

FROM: 
MAYOR CARLOS HERNANDEZ

ATTEST: 
MARBELYS FATJO, CITY CLERK

**EMERGENCY ORDER REOPENING ALL CITY PARKS FOR LIMITED USE
IN THE CITY OF HIALEAH, FLORIDA
(COVID-19-COH-EO-65)**

WHEREAS, On March 9, 2020, Governor Ron DeSantis issued Executive Order 20-52 declaring a state of emergency for the State of Florida as a result of the threat of the spread of Coronavirus Disease 2019 (COVID-19);

WHEREAS, the Governor's Declaration remains in effect (Executive Order 21-45) keeping Florida under a State of Emergency as a result of COVID-19; and

WHEREAS, the County and the City have also declared a state of emergency as a result of COVID-19 and remain in a state of emergency to date;

WHEREAS, notwithstanding the national vaccination efforts, the availability of three effective vaccines and a downward trend in new cases and deaths, we remain in a national state of emergency as not enough persons within our population have immunity to prevent the spread of the virus;

WHEREAS, new variants of the virus have been identified around the world and in the U.S., the variants are more contagious and threaten the efficacy of the vaccines being administered and the immunity provided by the existing vaccines;

WHEREAS, throughout the pandemic, Governor DeSantis, on behalf of the State, Mayor Gimenez, on behalf of the County, and Mayor Carlos Hernandez, on behalf of the City, have issued numerous emergency or executive orders regulating many aspects of society with the objective of

implementing social distancing, reducing the risk of exposure or spread of the virus and avoiding overwhelming our public health resources;

WHEREAS, since March 2020, society has grown accustomed to the limitations on every-day life imposed by the virus, and, in particular, social activities involving gatherings and interactions among many people;

WHEREAS, simple practices, including the use of masks, avoiding crowds, and practicing social distancing, have proven to be the most effective means available to safeguard against the spread of the virus;

WHEREAS, since March 2020, our testing capabilities have improved and our treatment and management of COVID-19 positive cases has improved, but we are lagging behind in the distribution and administration of the three approved vaccines; and

WHEREAS, despite all the measures taken by the State, the County and the City to combat the virus, COVID-19 remains a serious threat to the health of all who contract the virus with unknown deleterious long term after effects; and

WHEREAS, the U.S. leads the world in COVID-19 positive cases, its death toll to date exceeds 400,000 and Miami-Dade County continues to lead the State in both total positive cases and number of deaths; and

WHEREAS, notwithstanding the serious threats to life posed by COVID-19, increased vaccination can allow for greater social interaction of fully vaccinated people consistent with the CDC guidelines;

WHEREAS, as a result of the decline in community spread and increased vaccination, the City wishes to relax existing restrictions on its parks for the public's enjoyment, despite the continuing risks posed by COVID-19, subject to use restrictions and limitations on the interactions between persons while using park facilities; and

WHEREAS, in order to provide park services in a reasonably safe environment, it is imperative to continue enforcing the use of masks, prohibit large social gatherings, and exercise social distance at public parks; and

WHEREAS, pursuant to Florida Statutes § 252.46(2), the statutory authority for the City's emergency rulemaking powers, the orders and rules adopted due to a declared emergency shall have the full force and effect of law after adoption and upon filing with the Office of the City Clerk; and

WHEREAS, these emergency orders or rules may deviate from existing laws, ordinances, and rules inconsistent with or in conflict with such emergency orders and rules during the period of time the declared emergency exists;

THEREFORE, in response to the impending risk to the life, health, safety and welfare posed by Coronavirus Disease 2019 (COVID-19) to our citizenry and pursuant to the authority set forth in Florida Statutes §252.38 and in furtherance of all national, state, county and local emergency orders issued to date not inconsistent with this order;

In order to safeguard the life, health, safety and welfare of the residents of the City of Hialeah;
and

In an attempt to slow the spread and mitigate the potential impact of Coronavirus Disease;

I HEREBY ORDER:

1. Effective immediately, all city owned or city operated parks shall open to the public subject to the restrictions set forth in this order.
2. With the exception of Wilde Community Center, Walker Community Center, and Slade Park, all park and recreation buildings and facilities shall open during the hours of 2:00 p.m. to 9:00 p.m. on Monday through Friday only. Park and recreation buildings and facilities at Wilde Community Center, Walker Community Center and Slade Park shall open between the hours of 8:00 a.m. and 9:00 p.m., Monday through Friday. No person shall be or remain in any city park except during the hours of operation whether a physical barrier to entry on the park exists or not.
3. All general field areas (green spaces), hard courts, sand courts, paths and tracks, all other recreational facilities such as recreation buildings, exercise equipment, skate park, gymnasiums, bike racks, tot-lots and playground equipment, are open for use by the public. Gazebos, picnic shelters, banquet halls, stadiums, and theaters remain closed until further order. Water fountains remain unavailable for use by the public until further order.
4. The use of face masks while spectating team sports, whether organized or pickup games, whether meets or practices, and while at enclosed or indoor park facilities is mandatory at all times. A copy of the City's Emergency Orders COVID-19-COH-EO-7 and 7A mandating the use of face masks is available upon request at the Office of the City Clerk at City Hall. In addition to the mandatory use of face mask, all park patrons should continue to practice physical distancing and other prevention measures.
5. The provisions of this Order shall supersede any inconsistent provisions in any prior emergency order.
7. This Order shall remain in effect for the period of time the City's declaration of emergency remains in effect or until rescinded or modified, whichever occurs first.
8. This Emergency Order shall be strictly adhered to at all times while the City's declaration of emergency remains in effect and enforceable pursuant to Florida law.
9. The Director of the Parks and Recreation Department, or his designee, shall have authority to enforce this Order at all city parks.
10. A copy of this Order shall be posted at all city parks.
