How To Use the App

- The Ride Freebee mobile app is a cutting-edge technology that has been fully operational since 2015
- Delivers a comprehensive experience to seamlessly connect people in need of transportation with professional chauffeurs, making the transportation process fun, quick and efficient.
- The design, look and feel of the app is far and away the gold standard of any existing mobile apps in the ride-share industry, and the functionality and backend data collection system is built out with the capability to track every piece of data.
- The Ride Freebee app is available in both the Apple Store and Google Play Store, for both iPhones and Android devices, and is accessible to anyone with either device.
- Additionally, users without a smartphone will be able to request a ride by calling into a toll-free number or by 'Flagging' a vehicle down if they see one passing by.
