The Borrower is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been in writing specifically consented to by the Council [and the Bond Insurer] and (ii) do not, and shall not, have any material adverse effect on the transactions herein contemplated and the compliance by the Borrower with the terms hereof), of any terms of any agreement or other instrument to which it is a party or by which it, its properties or operations may be bound, which may materially adversely affect the ability of the Borrower to perform hereunder.

(f) Governmental Consent. The Borrower has obtained, or will obtain, all permits, approvals and findings of non-reviewability required as of the date hereof by any governmental body or officer for the acquisition and/or installation of the Project, including construction and renovation work, the financing or refinancing thereof or the reimbursement of the Borrower therefor, or the use of such Project, and, prior to the Loan, the Borrower will obtain all other such permits, approvals and findings as may be necessary for the foregoing and for such Loan and the proper application thereof; the Borrower has complied with or will comply with all applicable provisions of law requiring any notification, declaration, filing or registration with

any agency or other governmental body or officer in connection with the acquisition or installation of the Project, including construction and renovation work necessary for such installation, financing or refinancing thereof or reimbursement of the Borrower therefor; and any such action, construction, installation, financing, refinancing or reimbursement contemplated in this Loan Agreement is consistent with, and does not violate or conflict with, the terms of any such agency or other governmental consent, order or other action which is applicable thereto. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental authority is required on the part of the Borrower as a condition to the execution and delivery of this Loan Agreement, or to amounts becoming outstanding hereunder.

(g) Compliance with Law. The Borrower is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject and which are material to its properties, operations, finances or status as a municipal corporation or subdivision of the State.

(h) Use of Proceeds.

(1) The Borrower will apply the proceeds of the Loan from the Council solely for the refinancing for the cost of the Projects as set forth in Exhibit A hereto.

(2) [Reserved]

(3) The Borrower understands that the actual Loan proceeds received by it are less than the sum of the face amount of the Loan Agreement plus the reoffering premium in an amount equal to a discount as described in Section 3.01 hereof. Borrower will accordingly be responsible for repaying, through the Basic Payments portion of its Loan Repayments, the portion of the Bonds issued to fund the Loan including the portion issued to fund the underwriting discount, original issue discount and other fees and costs of issuing the Bonds.

(4) The Borrower covenants that it will make no use of the proceeds of the Bonds which are in its control at any time during the term of the Bonds which would cause such Bonds to be "Arbitrage Bonds" within the meaning of Section 148 of the Code.

(5) The Borrower, by the Trustee's acceptance of the Indenture, covenants that the Borrower shall neither take any action nor fail to take any action or to the extent that it may do so, permit any other party to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Bonds.

(i) Project. All items constituting the Project are permitted to be refinanced with the proceeds of the Bonds and the Loan pursuant to the Act.

(j) Compliance with Interlocal Act and Interlocal Agreement. All agreements and transactions provided for herein or contemplated hereby are in full compliance with the terms of the Interlocal Agreement and the Interlocal Act.

(k) Additional Funding. It is hereby ascertained, determined and declared as follows:

(1) The Borrower has heretofore issued and has presently outstanding and unpaid the 2005A Loan.

(2) The Borrower deems it necessary, desirable and in the best financial interest of the Borrower that a portion of the 2005A Loan be refunded in order to effectuate interest cost savings and a reduction in the debt service applicable to bonded indebtedness. Simultaneously with the issuance of the Bonds, a sufficient portion of the proceeds of the Bonds and other funds available will, at the Borrower's request and instruction as provided in Section 3.03 hereof, be transferred by the Council directly to the Escrow Holder for deposit by the Escrow Holder into the Escrow Account established pursuant to the Escrow Deposit Agreement, to effectuate the refunding and defeasance of a portion of the 2005A Loan by providing for the payment of the principal of, premium, if any, and interest on a portion of the 2005A Loan as provided in the Escrow Deposit Agreement.

(3) The refunding of a portion of the 2005A Loan in the manner herein provided is hereby authorized.

SECTION 2.02. Covenants of Borrower. The Borrower makes the following covenants and representations as of the date first above written and such covenants shall continue in full force and effect during the Loan Term:

(a) Security for Loan Repayment. Subject to the provisions of Section 2.02(k) hereof, the Borrower covenants and agrees to appropriate in its annual budget, by amendment, if required, and to pay when due under this Loan Agreement as promptly as money becomes available directly to the Trustee for deposit directly into the appropriate Fund or Account created in the Indenture, amounts of Non-Ad Valorem Revenues of the Borrower sufficient to satisfy the Loan Repayment as required under this Loan Agreement. Such covenant is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into. Such covenant and agreement on the part of the Borrower to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all required Loan Repayments, including delinquent Loan Repayments, shall have been budgeted, appropriated and actually paid to the Trustee for deposit into the appropriate Fund or Account. The Borrower further acknowledges and agrees that the Indenture shall be deemed to be entered into for the benefit of the Holders of any of the Bonds and that the obligations of the Borrower to include the amount of any deficiency in Loan

Repayments in each of its annual budgets and to pay such deficiencies from Non-Ad Valorem Revenues may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein and in the Indenture. Notwithstanding the foregoing or any provision of this Loan Agreement to the contrary, the Borrower does not covenant to maintain any services or programs now maintained by the Borrower which generate Non-Ad Valorem Revenues or to maintain the charges it presently collects for any such services or programs.

During such time as the Loan is outstanding hereunder, the Borrower agrees that, as soon as practicable upon the issuance of debt by the Borrower which is secured by its Non-Ad Valorem Revenues, it shall deliver to the Council a certificate setting forth the calculations of the financial ratios provided below and certifying that it is in compliance with the following: (i) Non-Ad Valorem Revenues (average of actual receipts over the prior two years) must cover projected maximum annual debt service on debt secured by and/or payable solely from such Non-Ad Valorem Revenues by at least 1.5x; and (ii) projected maximum annual debt service requirements for all debt secured by and/or payable solely from such Non-Ad Valorem Revenues will not exceed 20% of Governmental Fund Revenues (defined as general fund, special fund, debt service fund and capital projects funds), exclusive of (i) ad valorem revenues restricted to payment of debt service on any debt and (ii) any debt proceeds, and based on the Borrower's audited financial statements (average of actual receipts of the prior two years). For the purposes of these covenants maximum annual debt service means the lesser of the actual maximum annual debt service on all debt or 15% of the original par amount of the debt, in each case, secured by Borrower Non-Ad Valorem Revenues.

[(b) Delivery of Information to the Council and Bond Insurer. Borrower shall deliver to the Bond Insurer and the Council as soon as available and in any event within 270 days after the end of each Fiscal Year an audited statement of its financial position as of the end of such Fiscal Year and the related statements of revenues and expenses, fund balances and changes in fund balances for such Fiscal Year, all reported by an independent certified public accountant, whose report shall state that such financial statements present fairly Borrower's financial position as of the end of such Fiscal Year and the results of operations and changes in financial position for such Fiscal Year.]

[(c) Information. Borrower's chief financial officer shall, at the reasonable request of the Bond Insurer, discuss Borrower's financial matters with the Bond Insurer or their designee and provide the Bond Insurer with copies of any documents reasonably requested by the Bond Insurer or its designee unless such documents or material are protected or privileged from disclosure under applicable Florida law.]

(d) [Reserved]

(e) Further Assurance. The Borrower shall execute and deliver to the Trustee all such documents and instruments and do all such other acts and things as may be reasonably necessary to enable the Trustee to exercise and enforce its rights under this Loan Agreement

and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by the Trustee to validate, preserve and protect the position of the Trustee under this Loan Agreement.

(f) Keeping of Records and Books of Account. The Borrower shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred in by the Borrower's independent auditors) reflecting all of its financial transactions.

(g) Payment of Taxes, Etc. The Borrower shall pay all legally contracted obligations when due and shall pay all taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings, which shall operate to stay the enforcement thereof.

(h) Compliance with Laws, Etc. Subject to an annual appropriation of legally available funds, the Borrower shall comply with the requirements of all applicable laws, the terms of all grants, rules, regulations and lawful orders of any governmental authority, non-compliance with which would, singularly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(i) Tax-exempt Status of Bonds. The Council and the Borrower understand that it is the intention hereof that the interest on the Bonds not be included within the gross income of the holders thereof for federal income tax purposes. In furtherance thereof, the Borrower and the Council each agree that they will take all action within their control which is necessary in order for the interest on the Bonds or this Loan to remain excluded from gross income for federal income taxation purposes and shall refrain from taking any action which results in such interest becoming included in gross income.

The Borrower and the Council further covenant that, to the extent they have control over the proceeds of the Bonds, they will not take any action or fail to take any action with respect to the investment of the proceeds of any Bonds, with respect to the payments derived from the Bonds or hereunder or with respect to the issuance of other Council obligations, which action or failure to act may cause the Bonds to be "Arbitrage Bonds" within the meaning of such term as used in Section 148 of the Code and the regulations promulgated thereunder. In furtherance of the covenant contained in the preceding sentence, the Borrower and the Council agree to comply with the Tax Certificate as to Arbitrage and the provisions of Section 141 through 150 of the Internal Revenue Code of 1986, as amended, including the letter of instruction attached as

an Exhibit to the Tax Certificate, delivered by Bryant Miller Olive P.A. to the Borrower and the Council simultaneously with the issuance of the Bonds, as such letter may be amended from time to time, as a source of guidelines for achieving compliance with the Code.

(j) Information Reports. The Borrower covenants to provide the Council with all material and information it possesses or has the ability to possess necessary to enable the Council to file all reports required under Section 149(e) of the Code to assure that interest paid by the Council on the Bonds shall, for purposes of the federal income tax, be excluded from gross income.

(k) Limited Obligations. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Borrower hereunder shall be payable only from Non-Ad Valorem Revenues budgeted and appropriated as provided for hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets or property owned by the Borrower and no Bondholder or any other person, including the Council, the Trustee [or the Bond Insurer], may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Borrower. The obligations hereunder do not constitute an indebtedness of the Borrower within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Trustee, the Council, [the Bond Insurer], or the Bondholders or any other person shall have the right to compel the exercise of the ad valorem taxing power of the Borrower or taxation of any real or personal property therein for the payment by the Borrower of its obligations hereunder. Except to the extent expressly set forth in this Loan Agreement, this Loan Agreement and the obligations of the Borrower hereunder shall not be construed as a limitation on the ability of the Borrower to pledge or covenant to pledge said Non-Ad Valorem Revenues or any revenues or taxes of the Borrower for other legally permissible purposes. Notwithstanding any provisions of this Agreement, the Indenture or the Bonds to the contrary, the Borrower shall never be obligated to maintain or continue any of the activities of the Borrower which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues or the rates for such services or regulatory fees. Neither this Loan Agreement nor the obligations of the Borrower hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the Borrower, but shall be payable solely as provided in Section 2.02(a) hereof and is subject in all respects to the provisions of Section 166.241, Florida Statutes, and is subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Borrower. It is the intent of the parties hereto and they do hereby covenant and agree, that the liability of the Borrower hereunder is a several liability of the Borrower expressly limited to the Loan Repayments and the Borrower shall have no joint liability with any other Borrower or the Council for any of their respective liabilities, except to the extent expressly provided hereunder.

The Council and the Borrower understand that the amounts available to be budgeted and appropriated to make Loan Payments hereunder is subject to the obligation of the Borrower

to provide essential services; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.

(l) Reporting Requirements. (i) The Borrower will file or cause to be filed with the Council any official statement issued by, or on behalf of, the Borrower in connection with the incurrence of any additional indebtedness by the Borrower secured by Non-Ad Valorem Revenues. Such official statements shall be filed within sixty (60) days after the publication thereof.

(ii) The Borrower agrees to provide not later than December 31 of each year, a certificate of its Chief Financial Officer stating that to the best of its knowledge the Borrower is in compliance with the terms and conditions of this Loan Agreement, or, specifying the nature of any noncompliance and the remedial action taken or proposed to be taken to cure such noncompliance.

[Trustee]

Gentlemen:

We are counsel to the City of Hialeah, Florida (the "Borrower"), and have been requested by the Borrower to give this opinion in connection with the loan by the Florida Municipal Loan Council (the "Council") to the Borrower of funds to finance or refinance or reimburse the Borrower for all or a portion of the cost of a certain Project (the "Project") as defined in, and as described in Exhibit A of, the Loan Agreement, dated as of ____ 1, 2014 (the "Loan Agreement"), between the Council and the Borrower.

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, and ordinances adopted by the [name of governing board] of the Borrower, the Loan Agreement, a Trust Indenture dated as of ____ 1, 2014 (the "Indenture") between the Council and _____, as trustee (the "Trustee") and Ordinance No. _____ enacted by the Borrower on _____, 2014 (the "Ordinance"), a Continuing Disclosure Agreement dated as of ____ 1, 2014 between the Borrower and the Florida League of Cities, Inc. (the "Continuing Disclosure Agreement"), the final Official Statement (the "Official Statement") with respect to the Bonds, and a Bond Purchase Contract dated _____, 2014 between the Florida Municipal Loan Council, Wells Fargo Securities (the "Underwriter"), and

the Borrower (the "Bond Purchase Contract. Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a municipality duly organized and validly existing under the Constitution and laws of the State of Florida and under the provisions of the Constitution and laws of the State of Florida. The Borrower has the legal right and all requisite power and authority to enter into the Loan Agreement, to enact the Ordinance and to consummate the transactions contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Borrower has duly authorized, executed and delivered the Ordinance, the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement, and such instruments are legal and binding obligations of the Borrower enforceable against the Borrower in accordance with its terms, except to the extent that the enforceability hereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(c) The execution and delivery of the Ordinance, the Continuing Disclosure Agreement, the Bond Purchase Contract and the Loan Agreement, the consummation of the transactions contemplated thereby, the purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the loan and the fulfillment of or compliance with the terms and conditions of the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement does not and will not conflict with or result in a material breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or it or its properties is otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(d) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened by governmental authorities or to which the Borrower is a party or of which any property of the Borrower is subject, which has not been described in the Official Statement or otherwise disclosed in writing to the Council [and the Bond Insurer] and which, if determined adversely to the Borrower, would individually or in the aggregate materially and adversely affect the validity or the enforceability of the Loan Agreement, the Bond Purchase Contract or the Continuing Disclosure Agreement.

(e) Any indebtedness being refinanced, directly or indirectly, with the proceeds of the Loan was initially incurred by the Borrower, and the proceeds of such indebtedness have been fully expended, to finance the cost of the Project.

(f) Based upon my review of the Official Statement and without having undertaken to determine independently the accuracy or completeness of the contents of the Official Statement, the statements and information with respect to matters of law relating to the Borrower in the Official Statement under the captions 'PURPOSE OF THE BONDS - General', "SECURITY AND SOURCES OF PAYMENT – Limited Obligations; Trust Estate"; "–Security of the Loan Agreement" and "LITIGATION" (in each case only with respect to those matters specific to the Borrower), and "CONTINUING DISCLOSURE" are true and correct in all material respects, and do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, either as of its date or the date hereof. No opinion is expressed herein with respect to (i) actions or obligations of the Issuer or any other party other than the Borrower, (ii) documents to which the Borrower is not a party, and (iii) financial, statistical or tax matters or projections.

We are attorneys admitted to practice law only in the State of Florida and express no opinion as to the laws of any other state and further express no opinion as to the status of interest on the Bonds under either Federal laws or the laws of the State of Florida.

Very truly yours,

(g) Notwithstanding the foregoing, whenever the Borrower authorizes a change in either its Fiscal Year or the accounting principles by which its Audited Financial Statements are prepared, the Borrower shall provide the Dissemination Agent with written notice

of such change and instruct the Dissemination Agent to file a copy of such notice with EMMA, the Issuer, the Insurer, the Rating Agencies and the Trustee, and the Dissemination Agent shall, within three (3) Business Days thereafter, file a copy of such notice with EMMA, the Issuer, the Insurer, the Rating Agencies and the Trustee. The Dissemination Agent shall provide the Borrower written confirmation that such notice was provided to EMMA in accordance with this Section 6(g).

SECTION 7. Additional Information. The Dissemination Agent shall notify EMMA of any such amendment and shall provide EMMA with a copy of any such amendment.

SECTION 9. Assignment. The Borrower may not assign its obligations under this Continuing Disclosure Agreement. The Dissemination Agent may assign its rights and responsibilities hereunder to a third party with the consent of the Borrower, which shall not be unreasonably withheld.

SECTION 10. Compensation of the Dissemination Agent. As compensation to the Dissemination Agent for its services pursuant to this Continuing Disclosure Agreement, the Borrower agrees to pay all fees and all expenses of the Dissemination Agent including, without limitation, all reasonable expenses, charges, costs and other disbursements in the administration and performance of its duties hereunder, and shall to the extent permitted by law indemnify and save the Dissemination Agent and its officers, directors, attorneys, agents and employees harmless from and against any costs, expenses, damages or other liabilities (including attorneys fees) which it (or they) may incur in the exercise of its (or their) powers and duties hereunder, except with respect to its (or their) willful misconduct or gross negligence. Nothing contained herein is intended to be nor shall it be construed as a waiver of any immunity from or limitation of liability that the Borrower may be entitled to pursuant to the Doctrine of Sovereign Immunity

or Section 768.28, Florida Statutes. Notwithstanding anything to the contrary contained herein, the obligations of the Borrower hereunder shall be limited obligations payable solely from the sources provided under Section 2.02(a) of the Loan Agreement.

SECTION 11. Concerning the Dissemination Agent and the Borrower. (a) The Dissemination Agent is not answerable for the exercise of any discretion or power under this Continuing Disclosure Agreement or for anything whatever in connection herewith, except only its own willful misconduct or gross negligence. The Dissemination Agent shall have no liability to the Bondholders or any other person with respect to the undertakings described in Section 1 hereof except as expressly set forth in this Continuing Disclosure Agreement regarding its own willful misconduct or gross negligence.

(b) The Dissemination Agent has no responsibility or liability hereunder for determining compliance for any information submitted hereunder with any law, rule or regulation or the terms of this agreement. The Dissemination Agent shall have no responsibility for disseminating information not delivered to it or giving notice of non-delivery except as specifically required hereunder.

(c) The parties to this Continuing Disclosure Agreement acknowledge and agree that the Borrower assumes no obligations hereunder other than those specifically assumed by the Borrower herein.

SECTION 12. Termination of this Continuing Disclosure Agreement. This Continuing Disclosure Agreement shall terminate at such time as the Loan Agreement terminates.

SECTION 13. Beneficiaries. This Continuing Disclosure Agreement shall inure solely to the benefit of the Borrower, the Dissemination Agent, the Trustee, the Issuer, the Insurer, the Participating Underwriter and the Bondholders. This Continuing Disclosure Agreement shall not be deemed to inure to the benefit of or grant any rights to any party other than the parties specified in the preceding sentence.

(j) The Issuer agrees to cooperate reasonably with the Underwriter and Underwriter's Counsel in any endeavor to qualify the Bonds for offering and sale under the securities or "blue sky" laws of such jurisdictions of the United States as the Underwriter may request; provided, however, that the Issuer shall not be required to qualify to transact business or file written consent to suit or to file written consent to service of process in any jurisdiction in connection with any such endeavor. The Issuer consents to the use by the Underwriter of the Preliminary Official Statement and the final Official Statement in obtaining such qualification. The Issuer shall not be obligated to pay any expenses or costs (including legal fees) incurred in connection with such qualification.

(k) The Issuer will take no action between the date hereof and the date of initial issuance of the Bonds which will cause any of the representations or warranties made in this Section 3 to be untrue as of the initial issuance of the Bonds.

(l) The Issuer will not take any action or, to the extent the Issuer has control over such action, permit any action to be taken, which might result in the loss of the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(m) The Issuer is not and has not since December 31, 1975 been in default in the payment of the principal of or interest on any obligation issued or guaranteed by it and the Issuer has no knowledge that any event has occurred or is continuing that, with the lapse of time or the giving of notice or both, would constitute an event of default under any such obligation.

(n) Neither the Issuer nor anyone acting on its behalf has, directly or indirectly, offered the Bonds for sale to, or solicited any offer to buy the same from, anyone other than the Underwriter.

(o) The information contained in the Preliminary Official Statement (other than the information in the sections captioned "The Borrower," "Other Financial Information" and in Appendices F and G, as to which no representation is made) is true and correct in all material respects, does not contain any untrue statement of a material fact, and does not omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(p) The Issuer has previously delivered to the Underwriter for review copies of the Preliminary Official Statement. As of its date, the Preliminary Official Statement was deemed final by the Issuer for purposes of Securities and Exchange Commission Rule 15c2-12 (17 CFR 240.15c2-12) ("Rule 15c2-12"). The Issuer shall provide to the Underwriter within a sufficient

time period for final Official Statements to accompany confirmations delivered by the Underwriter to potential investors in accordance with the rules of the Municipal Securities Rule Making Board ("MSRB"), but in no event later than seven (7) business days following the date hereof, a quantity of final Official Statements adequate to enable the Underwriter to meet the continuing obligations imposed on it by Rule 15c2-12 and the rules of the MSRB. The Issuer has complied in all material respects with all prior undertakings made by it pursuant to Rule 15c2-12.

(q) If between the date of this Agreement and the earlier of (i) ninety (90) days from the end of the "Underwriting Period" as defined in Rule 15c2-12 or (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities information repository (but in no event less than twenty-five (25) days following the end of the Underwriting Period), any event shall occur, of which the Issuer has actual knowledge, which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the Issuer shall notify the Underwriter thereof, and, if in the opinion of the Underwriter or the Issuer such event requires the preparation and publication of a supplement or amendment to the Official Statement, the Issuer will at the expense of the Borrower supplement or amend the Official Statement.

SECTION 4. Representations, Warranties and Covenants of the Borrower. The Borrower represents and warrants to and covenants with the Underwriter and the Issuer that:

(a) The Borrower is duly organized and existing as a municipality under the laws of the State.

(b) The Borrower has full right, power and authority to enter into and execute this Agreement, the Loan Agreement and the Continuing Disclosure Agreement, to approve the Bond Indenture, those portions of the Official Statement applicable to the Borrower and the Bonds, and to perform any acts required to be performed by it by such documents.

(c) The Borrower has duly authorized all necessary action to be taken by it for: (i) the issuance and sale of the Bonds by the Issuer upon the terms and conditions set forth herein, in the Preliminary Official Statement and in the Bond Indenture; (ii) the approval of those portions of the Preliminary Official Statement applicable to the Borrower, the Bonds and the Bond Indenture; (iii) the execution and delivery of this Agreement, the Continuing Disclosure Agreement and the Loan Agreement; and (iv) any and all such other agreements and documents as may be required to be executed, delivered or received by the Borrower in order to carry out, effectuate and consummate the transactions contemplated herein and therein.

(d) The Borrower will at or before the Closing execute the Loan Agreement.

(e) The information with respect to the Borrower contained in the Preliminary Official Statement under the captions "The Borrower," "Other Financial Information" and in Appendices F and G, as applicable (the "Borrower Information"), is true and correct in all material respects, does not contain any untrue statement of a material fact, and does not omit to state a material fact

required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(f) The audited financial statements of the Borrower contained in the Preliminary Official Statement and to be contained in the final Official Statement, present fairly the financial position of the Borrower as of the dates indicated and the results of its operations for the periods specified; such financial reports and statements have been prepared in conformity with generally accepted accounting principles consistently applied in all material respects to the periods involved, except as may otherwise be stated in the notes thereto; and there has been no material adverse change in the condition, financial or otherwise, of the Borrower from that set forth in the audited financial statements, and the Borrower has not incurred any material liabilities since the date of such financial statements.

(g) The proceeds of the Bonds will not be used by the Borrower in any way that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(h) The execution and delivery by the Borrower of this Agreement, the Continuing Disclosure Agreement and the Loan Agreement and the other documents contemplated herein and in the Official Statement, the approval by the Borrower of the Bonds, those portions of the Official Statement applicable to the Borrower and the Bond Indenture, the application by the Borrower of the proceeds from the sale of the Bonds, together with certain other moneys and securities, for the purposes set forth in the Official Statement, and the compliance by the Borrower with the provisions hereof and thereof, under the circumstances contemplated herein and therein, to the best knowledge of the Borrower, will not in any material respect conflict with or constitute on the part of the Borrower a breach of or default under either the Borrower's charter or under any ordinance, resolution, indenture, mortgage, deed of trust, loan agreement, contract or any agreement or other instrument of the Borrower to which the Borrower is a party, or of any existing law, administrative regulation, court order or consent decree to which the Borrower or the Borrower's property is subject.

(i) Except as may be described in the Preliminary Official Statement, to the best knowledge of the Borrower, there is no action, suit, referendum, proceeding, inquiry or investigation at law or in equity or before or by any court, governmental agency, arbitrator, authority, public board or body pending or threatened against or affecting the Borrower wherein an unfavorable decision, ruling or finding would materially and adversely affect (i) the transactions contemplated herein or in the Preliminary Official Statement, (ii) the issuance or sale of the Bonds, (iii) the existence of the Borrower or the entitlement of its respective officers to their respective offices, (iv) the collection of revenues by the Borrower from which the Borrower is obligated to make payments under the Loan Agreement, (v) the financial condition of the Borrower, (vi) the federal tax-exempt status of the interest on the Bonds, (vii) the validity or enforceability of the Loan Agreement, the Continuing Disclosure Agreement, the Bond Indenture, the Bonds, or this Agreement, (viii) the power of the Borrower to execute, deliver or approve such documents, (ix) the business, properties, assets or financial condition of the Borrower or (x) the ability of the Borrower to comply with its obligations under the Loan

Agreement, the Continuing Disclosure Agreement, the Bond Indenture, this Agreement or the transactions contemplated by the Official Statement.

(j) To the best knowledge of the Borrower, it is not now, and as of the date of Closing will not be, in default with respect to any agreement to which the Borrower is a party and which could have a material financial impact on the Borrower or which could materially and adversely affect the ability of the Borrower to consummate the transactions contemplated by the Preliminary Official Statement.

(k) All the property financed or refinanced, whether directly or indirectly, by the Borrower with the proceeds of the Bonds is and will be owned by the Borrower.

(l) The Borrower agrees to cooperate reasonably with the Underwriter and its counsel in any endeavor to qualify the Bonds for offering and sale under the securities or "blue sky" laws of such jurisdictions of the United States as the Underwriter may request, provided that the Borrower shall not be required to qualify to do business in any jurisdiction where it is not now so qualified, or to take any action which would subject it to general service of process in any jurisdiction where it is not now so subject. The Borrower ratifies and consents to the use of the Preliminary Official Statement, the Official Statement and drafts thereof prior to the availability of the Official Statement by the Underwriter in obtaining such qualification.

(m) No default, event of default or event which, with the giving of notice or the passage of time, or both, would constitute a default or an event of default under the Bond Indenture, the Loan Agreement or under any document executed by the Borrower relating to the Bonds, has occurred and is continuing.

(n) The Borrower has not taken or omitted to take any action, and knows of no action that any other person has taken or omitted to take, which would cause the interest on the Bonds to be includible in the gross income of the recipients thereof for federal income tax purposes, and covenants that it will not take any action or omit to take any action which could have such result.

(o) The Borrower has not since December 31, 1975, been in default as to the payment of principal or interest on any obligation issued or guaranteed by it or on its behalf.

(p) The Borrower has complied in all material respects with all prior undertakings made by it pursuant to Rule 15c2-12, except as otherwise set forth in the Official Statement.

SECTION 5. Closing, Delivery and Payment. The Closing shall be held on November ____, 2014 at the offices of Bryant Miller Olive P.A. in Miami, Florida or at such other time and other place as is agreed upon by the Underwriter and the Issuer. Accordingly, the Underwriter's obligation under this Agreement to purchase, to accept delivery of and to pay for the Bonds is conditioned upon the performance by the Issuer and the Borrower of their respective obligations to be performed hereunder and under such documents and instruments at or prior to the date of the Closing, and is also subject to the following additional conditions: (a) all representations and warranties of the Issuer and the Borrower contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing; (b) at or prior to the Closing, the Underwriter shall have received all of the Closing Documents.

If the Issuer or the Borrower shall be unable to satisfy the conditions to the obligation of the Underwriter to purchase, to accept delivery of and to pay for the Bonds contained in this Agreement, or if the obligation of the Underwriter to purchase, to accept delivery of and to pay for the Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and none of the Underwriter, the Issuer or the Borrower shall be under any further obligation hereunder except that the respective obligations of the parties set forth in Section 10 hereof shall continue in full force and effect.

SECTION 6. Closing Documents. [Bond Insurer]

Ladies/Gentlemen:

We are counsel to the City of Hialeah, Florida (the "Borrower"), and have been requested by the Borrower to give this opinion in connection with a loan (the "Loan") by the Florida Municipal Loan Council (the "Council") to the Borrower of funds to refinance certain indebtedness as described in the Loan Agreement, dated as of November 1, 2014, between the Council and the Borrower (the "Loan Agreement").

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws and ordinances enacted by the City Council of the Borrower, the Loan Agreement, Trust Indenture dated as of November 1, 2014 (the "Indenture") between the Council and _____, as trustee (the "Trustee"), Ordinance No. 2014-____ enacted by the Borrower on August 26, 2014 (the "Ordinance"), a Continuing Disclosure Agreement dated as of November __, 2014 between the Borrower and the Florida League of Cities, Inc. (the "Continuing Disclosure Agreement"), the final Official Statement (the "Official Statement") with respect to the Bonds, and a Bond Purchase Contract dated October __, 2014 between the Council, Wells Fargo Bank, National Association (the "Underwriter"), and the Borrower (the "Bond Purchase Contract"). Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Borrower is a municipality duly organized and validly existing under the Constitution and laws of the State of Florida. The Borrower has the legal right and all requisite power and authority to enter into the Loan Agreement, to enact the Ordinance and to consummate the transaction contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Borrower has duly authorized, executed and delivered the Ordinance, the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement, and such instruments are legal and binding obligations of the Borrower enforceable against the Borrower in accordance with their terms, except to the extent that the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(c) The execution and delivery of the Ordinance, the Continuing Disclosure Agreement, the Bond Purchase Contract and the Loan Agreement, the consummation of the transactions contemplated thereby, the refinancing of the indebtedness to be refinanced with the proceeds of the Loan and the fulfillment of or compliance with the terms and conditions of the Loan Agreement, the Bond Purchase Contract and the Continuing Disclosure Agreement does not and will not conflict with or result in a material breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Borrower is now a party or it or its properties is otherwise subject or bound, and the Borrower is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(d) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened by governmental authorities or to which the Borrower is a party or of which any property of the Borrower is subject, which has not been described in the Official Statement or otherwise disclosed in writing to the Council [and the Bond Insurer] and which, if determined adversely to the Borrower, would individually or in the aggregate materially and adversely affect the validity or the enforceability of the Loan Agreement, the Bond Purchase Contract or the Continuing Disclosure Agreement.

(e) The indebtedness being refinanced, directly or indirectly, with the proceeds of the Loan was initially incurred by the Borrower, and the proceeds of such indebtedness have been fully expended.

(f) Based upon our review of the Official Statement and without having undertaken to determine independently the accuracy or completeness of the contents of the Official Statement, the statements and information with respect to matters of law relating to the Borrower in the Official Statement under the captions "PURPOSE OF THE BONDS – General", "SECURITY AND SOURCES OF PAYMENT – Limited Obligations; Trust Estate"; "— Security of Loan Agreement" and "LITIGATION" (in each case only with respect to those matters specific to the Borrower), and "CONTINUING DISCLOSURE" are true and correct in all material respects, and do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they are made, not misleading, either as of its date or the date hereof. No opinion is expressed herein with respect to (i) actions or obligations of the Issuer or any other party other than the Borrower, (ii) documents to which the Borrower is not a party, and (iii) financial, statistical or tax matters or projections.
