Adopted by City of Hialeah Resolution 2018-045

INTRODUCTION

City of Hialeah’s Commitment to Civil Rights

This update of the City of Hialeah’s Title VI Program has been prepared to ensure that the level and quality of the City’s services are provided in a nondiscriminatory manner and that the opportunity for full and fair participation is offered to the public and City residents alike. Additionally, through this program, the City has evaluated the need for services and materials for persons for whom English is not their primary language and who have a limited ability to read, write, speak, or understand English.

The City of Hialeah is committed to ensuring that no person is excluded from participation in, denied the benefits of, or subjected to discrimination in the receipt of any City services on the basis of race, color or national origin, sex, age, disability, religion, family status, marital status to include any other protected status under state and federal law, as may be amended from time to time. The contents of this plan have been prepared in accordance with the Title VI of the Civil Rights Act of 1964. The plan is intended to guide the City of Hialeah’s administration and management of its services consistent with the protections afforded by Title VI.

“Federal agencies are to examine the services they provide, identify any need for services to those with limited English proficiency, and develop and implement a system to provide those services so LEP persons can have meaningful access to them.”

----- Executive Order 13166

Under the Civil Rights Act of 1964, and as a recipient of federal funding under the programs of the Federal Transit Administration (FTA) of the U.S. Department of Transportation (US DOT), City of Hialeah has an obligation to ensure that:

- The benefits of its services are shared equitably throughout the service area;
- The level and quality of services are sufficient to provide equal access to everyone in the City of Hialeah.
- No one is precluded from participating in City of Hialeah service planning and development process.
- Decisions regarding service changes are made without regard to race, color, national origin, sex, age, disability, religion or family status.
- Any adverse environment or health burdens resulting from development benefitting a community as a whole should not disproportionately impact the community's minority population.

GENERAL REQUIREMENTS

Notice to the Public

To make the public aware of its commitment to Title VI compliance, and of their right to file a civil rights complaint, the City has prepared the following statement, in both English and Spanish, on decals inside the buses, outside the Clerk's office, outside of the Human Resources office, and on its website: WWW.HIALEAHFL.GOV.

The City of Hialeah is committed to providing equal access to its services regardless of race, color, national origin, sex, age, disability, religion, family status or any other protected status under state or federal law, in accordance with Title VI of the Civil Rights Act.

Those with questions or concerns about nondiscrimination, those requiring special assistance under the Americans with Disability Act (ADA) or those requiring special assistance, free of charge, should contact the Title VI/Nondiscrimination Coordinator at

Your Civil Rights

The City provides its service without regard to race, color, national origin, sex, age, disability, religion or family status in accordance with Title VI of the Civil Rights Act. Any person who believes they have been aggrieved by any unlawful discriminatory practice prohibited under Title VI may file a complaint with the City of Hialeah, Office of the City Clerk. For more information on the City's civil rights program and procedures to file a complaint, please contact the City of Hialeah Office of the City Clerk, Marbelys Fatjo, by email to adacoordinator@hialeahfl.gov or call the office at (305) 883-5820, fax (305) 883-5814.

ADA/504 Posted Statement:

Section 504 of the Rehabilitation Act of 1973 (Section 504), the Americans with Disabilities Act of 1990 (ADA) and related federal and state laws and regulations forbid discrimination against those who have disabilities. Furthermore, these laws require federal-aid recipients and other government entities to take affirmative steps to reasonable accommodate those with disabilities and ensure that their needs are equitably represented in transportation programs, services and activities.

The City will make every effort to ensure that its facilities, programs, services, and activities are accessible to those with disabilities. The Agency will also make every effort to ensure that its advisory committees, public involvement activities and all other programs, services and activities include representation by communities with disabilities and disability service groups.

The City encourages the public to report any facility, program, service or activity that appears inaccessible to those who are disabled. Furthermore, the City will provide reasonable accommodation to individuals with disabilities who wish to participate in public involvement events or who require special assistance to access facilities, programs, services or activities. Because providing reasonable accommodation may require outside assistance, organization or resources, the City asks that requests be made at least 5 calendar days prior to the need for accommodation.

Questions, concerns, comments or requests for accommodation should be made to the Agency ADA Office:

Discrimination Complaint Procedures

The City has established a process for the public to file a complaint under Title VI. Any person who believes that they have been discriminated against on the basis of race, color, national origin, sex, age, disability, religion, family status or marital status by the City may file a Title VI complaint by completing and submitting the agency's Title VI complaint form (Appendix A) available on the City's website WWW.HIALEAHFL.GOV. Download the form, provide all the information requested, sign, date and print it. Mail the completed form to:

City of Hialeah, Florida
Office of the City Clerk
Title VI Complaint Coordinator – Marbelys Fatjo
501 Palm Avenue, 3rd Floor
Hialeah, FL 33010

You may access a computer with internet service at any of the City of Hialeah's public libraries during normal hours of operation. You may also contact the City of Hialeah Office of the City Clerk by email at or by telephone at (305) 883-5820 and request that a complaint form be mailed to you.

Note: The City of Hialeah encourages all complainants to send complaint forms via certified mail through the US Postal Service, to ensure that all written correspondence can be easily tracked. Any complaint involving pedestrian or transportation facilities that is not resolved by the City will be forwarded to the Florida Department of Transportation. The FDOT and FHWA are designated nondiscrimination clearinghouses and will either assume jurisdiction for the complaint, or forward it to the appropriate Federal or State authority for further processing.

The Complaint Procedure

The following procedures apply to complaints filed under Title VI of the Civil Rights Act of 1964, relating to any program and/or activity administered by the City, and/or contractors. Intimidation or retaliation of any kind is prohibited by law.

These procedures do not deny the right of the complainant to file formal complaints with other State or Federal agencies, or to seek private counsel for complaints alleging discrimination. These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the complainant.

The City investigates complaints received within six months or 180 days of the occurrence of the incident complained of. The City will process all complaints submitted that provide, at a minimum, the information requested on the complaint form pursuant to the procedures described in this plan. Every effort will be made to obtain early resolution of complaints at the lowest administrative level possible.

Once the complaint is received, the City will send a written acknowledgment to the complainant and begin its investigation of the claim or claims made. (Appendix B). The City will also notify the Florida Department of Transportation, Equal Opportunity Office, Attn: Title VI Complaint Processing, 605 Suwannee Street Ms. 65, Tallahassee, FL 32399 of the complaint received and under investigation.

The City will make every effort to investigate and respond to complaints within 60 days from the date the City receives the complaint. If more information is needed to clarify or resolve the claim, the City will contact the complainant in writing at the address provided on the complaint form. The complainant has fifteen days from the date of the letter requesting clarification or additional information to respond to the City. If the information or clarification is not received by the City within fifteen days, the City can administratively close the case. The City will notify the complainant in writing of its decision to close the case based on the complainant's failure to provide the information requested. A case can also be administratively closed if the complainant no longer wishes to pursue their claim.

After the complaint is investigated and reviewed, one of two response letters will be written and addressed to the complainant: a closure letter (Appendix C) or a Letter of Finding (LOF) (Appendix D). A closure letter summarizes the claim(s), results from the investigation conducted by the City and concludes that there was no Title VI violation. As a result the case will be closed.

A LOF summarizes the claim(s), the results of the investigations conducted by the City finds that the complaint is substantiated and explains what action or measures the City will take to correct the conduct complained of. An example of corrective action the City can take includes training or administrative discipline of staff.

If the complainant wishes to appeal the decision to close a case which in the City's opinion is unsubstantiated, they can do so within ten (10) days from the date the complainant receives written notification of the decision made by the City. All appeals from the decision made by the City must be heard by the Council for the City of Hialeah. Requests for an appeals hearing before City Council must be in writing and addressed to:

City of Hialeah, Florida
Office of the City Clerk – Marbelys Fatjo
501 Palm Avenue, 3rd Floor
Hialeah, Florida 33010

The appeals hearing will be schedule at the next regular meeting of the Council. The City Clerk as the Title VI Coordinator has easy access to the Mayor and is not required to obtain management or other approval to discuss discrimination issues with the Mayor. However, should the complainant be unable or unwilling to complain to the City of Hialeah, the written complaint may be submitted directly to the Florida Department of Transportation (FDOT). FDOT serves as a clearinghouse for Title VI purposes and will either

assume jurisdiction over the complaint or forward it to the appropriate federal or state authority for continued processing:

Florida Department of Transportation
Equal Opportunity Office
Attn: Title VI Complaint Processing
605 Suwannee Street Ms. 65

Recordkeeping

The City maintains a list of all complaints received alleging discrimination. This list is maintained and stored electronically. The City also maintains all other records created or received when investigating discrimination complaints or lawsuits, including but not limited to, correspondence to and from the complainant and witness statements. If you would like to copy or inspect any record related to a discrimination complaint, lawsuit of investigation, you may make a request as follows:

CITY OF HIALEAH'S PUBLIC PARTICIPATION PLAN

Key Principles

The City of Hialeah recognizes the right to and encourages the public to participate in the process of governance. Any changes to the City's services that significantly impact the public requires City Council approval. The Council for the City of Hialeah has two regularly scheduled meetings every month. It meets every second and fourth Tuesday of each month (except for a recess in July) at 7:00 p.m. in Council Chambers on the 3rd floor of City Hall. The matters that will be heard during each meeting are contained in an agenda which is in the lobby at City Hall and online in the City's webpage (www.hialeahfl.gov). The residents may review the agenda and participate in the meeting. The agenda is regularly posted in the lobby and on the website by Friday afternoon the week prior to the meeting. In addition to the regular method of notice for all City business considered by Council, notice of any proposed changes to City of Hialeah services that require City Council approval will be posted on the inside of the buses in English and Spanish.

The City's Public Participation Plan (PPP) accomplishes two goals:

- Potentially affected community members will have notice of and an opportunity to express any concerns they may have regarding the issue at hand.
- The concerns of the participants involved will be considered in the decision-making process.

The City wants to also encourage involvement in the decision-making process by minority and Limited English Proficient (LEP) populations.

Limited English Proficient (LEP)

LEP refers to persons for whom English is not their primary language and who have a limited ability to read, write, speak, or understand English. It includes people who reported to the U.S. Census that they speak English less than very well, not well, or not at all.

The City will use its Public Participation Plan to consider fare changes, modifications to routes and schedules under the following circumstances:

- A fare increase or significant change in the method of fare payment is being considered;
- A new route is established;
- An existing route is proposed to be eliminated;
- The complete discontinuance of service on any line or group of lines on any given day when service is currently offered;
- Any system-wide change in service hours that exceeds 10% of current total service hours;
- Re-routing of any given route or routes that affects more than 25% of the riders using the affected route(s).

The City of Hialeah's Public Participation Process

Outreach Efforts – Alerting Riders

The City's PPP maintains the traditional elements to the outreach program such as public meetings, requesting input from the public, transportation seat-drop flyers, surveys, and by posters and notices on inside public facilities and transportation. While there may be minor variations in the outreach process from time-to-time, the outline below provides the general steps for engaging the public in the decision-making process using a fare change as an example.

Illustration:

1. A fare change proposal is developed internally or as a result of public comment.
2. If required, approval from the City Council is sought to proceed to a public comment hearing.
3. Public meetings (City Council) are posted at City Hall in the lobby board and posted online in the city's webpage (www.hialeahfl.gov).
4. Bilingual (English & Spanish) notice is posted in the buses to encourage public participation.

EXAMPLE OF FARE INCREASE NOTICE PLACED INSIDE BUS:

The City of Hialeah will increase its base fare from \$2 to \$2.25 each way starting January 1, 2014.

The fare increase is only the City of Hialeah's 3rd in the last 11 years.

In response to recent changes made by the Federal Transit Administration (FTA) on Title VI Requirements and Guidelines for FTA Recipients (FTA C4702.1B), the City of Hialeah is looking for citizens to provide input on a pending fare increase and its impact on fixed-route services. The public can submit comments on the fare increase through December 24, 2013, by e-mailing the City of Hialeah at TRANSITCOMMENTS@hialeahfl.gov. Comments can also be submitted in writing at Hialeah Transit System, 900 East 56 Street, Hialeah, Florida 33013 or by fax at 305-687-2666 Attn: Transit.

La Ciudad de Hialeah incrementara la tarifa de autobuses de \$2.00 a \$2.25 empezando Enero 1, 2014.

Este incremento de tarifa ha sido la tercera en los ultimos once años.

La respuesta a los cambios recientes por la FTA en TITLE VI Requeridos y con una norma a seguir por los beneficiarios del FTA (FTA c4702.18), la Ciudad de Hialeah esta buscando comentarios de los usuarios de autobuses al incremento pendiente en las tarifas de autobuses. Los comentarios seran aceptados hasta el dia 24 de Diciembre 2013, por email al TRANSITCOMMENTS@HIALEAHFL.GOV o por carta al 900 East 56 Street, Hialeah, fl 33013 o por fax 305-687-2666 atencion: Transit.

LANGUAGE ASSISTANCE PLAN

Improving Access for People with Limited English Proficiency

In order to ensure meaningful access to programs and activities, The City of Hialeah uses the information obtained in a Four Factor Analysis to determine the specific language services that are appropriate. This analysis helps the City to determine if it communicates effectively with LEP persons and engages adequately and timely in language access planning.

The **Four Factor Analysis** is a local assessment that considers:

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the City;
2. The frequency with which LEP persons come into contact with City services;
3. The nature and importance of the City's services in people's lives; and
4. The resources available to the City for LEP outreach, as well as costs associated with that outreach.

Factor 1 – Number of LEP Persons on Service Region

The first step in determining the appropriate components of a Language Assistance Plan is understanding the proportion of LEP persons who may encounter City services, their literacy skills in English and their native language, the location of their community and neighborhoods and, more importantly, if any are underserved as a result of a language barrier.

To do this, the City evaluated the level of English literacy, the degree people in its service area speak a language other than English and what those languages are. Data for this review is derived from the United States Census Bureau “Quick Facts” web page data from 2012. (Appendix E)

City of Hialeah Overview

The City serves 21.45 square miles of area in the City of Hialeah. The City of Hialeah is home to a very large Spanish speaking population over 93% (233,339). Of the total population (233,339), over 93% residents report speaking English less than very well. There are no pockets of area in the city that where a population predominantly speaks another language other than English or Spanish. All documents are created in English and then translated to Spanish.

Factor 2 – Frequency of LEP Use

Circumstances under which the LEP population come into contact with City services include fixed route buses and calls to customer service to request information. It is important for the City to ensure that the following points of contact are covered in English and Spanish:

- The use of the bus service;
- Communication with City customer service staff;
- Bus pass sales;
- Printed outreach materials (for example: informational brochures);
- Web-based materials;
- Meetings – City Council meetings;
- Service related posters (for example: notices inside public facilities);

The ability to communicate with LEP people is so important the presence of bilingual customer service representatives is required.

To better understand the frequency with which LEP people come into contact with City services, The City conducted internal surveys of customer service staff. (See Table 1)

The survey tool was used to determine whether the current transportation (HTS) staff could communicate in any language other than English and how often a language other than English was spoken during a workday.

The results of the survey revealed the following:

All HTS employees (100%) could speak Spanish.

Spanish was the language most frequently spoken by the LEP population.

During a typical workday, HTS employees spoke Spanish all the time (100%).

| 5. How often in your shift or shifts in a workday do you have to speak another language other than English, please circle below: Never Rarely Sometimes Often All of the time |

Consulting Directly with the LEP Population

In addition to the census data and the employee survey, the City informally surveyed users calling customer service and riding buses during a two day period asking them the following questions (See Table 2 below.)

- What languages are spoken at home?
- Is language a barrier to accessing HTS service?
- Is language a barrier to accessing HTS materials?
- Is language a barrier to access HTS customer service?
- Why do you use HTS bus service?

Table 2.

When asked what language was spoken at home, eighty-four percent (84%) reported speaking Spanish.

When asked if language was a barrier to accessing HTS buses, all (100% of respondents) reported that language was not a barrier.

When asked if language was a barrier to accessing HTS materials (brochures), all (100% of respondents) reported that language was not a barrier.

When asked if language was a barrier to accessing HTS customer service (telephone), (100% of respondents) reported that language was not a barrier.

Factor 3 – The Importance of HTS Services in the Lives of Riders

Access to the services provided by the City is critical to the many people in the area. Many depend on City services, such as HTS transportation for access to jobs and for access to essential community services. Because of the essential nature of the services, there is a need to ensure that language is not a barrier to access.

In the passenger survey (above), many of them responded to using City transportation for multiple reasons. The percentages calculated are based on the number of each individual reason given for using the bus by the total number of respondents:

- 96% reported depending on the service for work related transportation;
- 41% reported using the service for school;
- 75% reported using the service to reach health care providers;
- 58% reported using the service for shopping – all essential trip purposes.

Factor 4 – Resources and Costs for LEP Outreach

The City of Hialeah is committed to providing resources to improve access to its services to LEP persons. Today, bilingual information (English/Spanish) is distributed in several different manners including through:

- Managing a bilingual website;
- Distributing bilingual informational materials (brochures);
- Providing live bilingual translators at meetings (City Council meetings);
- Providing bilingual customer service staff;
- Providing bilingual City signage;
- Employing bilingual drivers and customer service staff.
