Vivian C. Munoz

Vivian I would like to take this opportunity to thank you for your trust in me for appointing me as your planning & zoning board member since Nov. 2006. It has been a great opportunity to be a part of this great City of Hialeah's Planning and Zoning Board, but due to unforeseen circumstances with my current employment at the Port of Miami it is impossible for me to fully execute my responsibilities with you and this Great City that I have grown up in and have loved through out the years. I am sending you this resignation with the deepest sympathy that you and the residents of the great city will never understand, But I am thankful for what I have learned and for the citizens I have helped in whatever little way possible. Please continue to count on me how you always have in the past, I will do the best I can to contribute to Hialeah as always. You yourself have always told me that no matter where I am I cannot abandon my great city of HIALEAH! And you my friend are 100% correct.

Thank You and the City of Hialeah for everything I have learned in the past 6 years it has been great!

Sincerely

Jesus Hernandez
