After-school Programs and Summer Camps

PROGRAM NAME
City of Hialeah Creative Learning and Play Program

PROGRAM DESCRIPTION

The City of Hialeah proposes to continue the high performing Creative Learning & Play (CL&P) out-of-school (OOS) programs to serve as a safe, enriching environment for children in grades K-5 during the critical afterschool hours and over the summer by offering stimulating/engaging activities that include literacy, homework assistance, physical fitness, life skills, family involvement, and provision of nutritious food. The afterschool (AS) program will be offered for 180 days from 2:00-6:30 p.m. Monday - Friday and summer camp (SC) from 7:30 a.m.-6:30 p.m. Monday - Friday for a total of 10 weeks. By partnering with Miami-Dade County Public Schools, the City of Hialeah Education & Community Services Department, Parks and Recreation Department, and Hialeah Housing Authority, the City will offer services to Hialeah residents/non-residents in high-density neighborhoods.

This inclusive program will serve children with disabilities (CWD) with cognitive, physical, emotional, and developmental challenges. The time allotted for learning or task completion will be adapted, along with visual and auditory aids. In addition to all facilities being ADA compliant, room modifications (books/supplies, adequate furniture spacing, etc.) will be provided for children with physical disabilities. Fitness activities will be altered based on ability. Children with emotional disorders and/or behavior challenges will receive services at a 1:3 ratio administered by inclusion aides. A less intensive 1:5 ratio may be considered for other CWD as needed.

Literacy/Differentiated instruction in the AS will be offered collectively for 2.5 hours and 6 hours during the summer. CL&P will continue to implement KidzLit based on program's past success and the curricula's developmentally appropriate high-interest books and activities during AS and SC programs under the direction of certified teachers. Lessons will be linked to project-based learning activities to capture student interest. Homework assistance will be offered Monday-Thursday during AS. CL&P will also provide daily fitness activities through the evidence-based SPARK fitness curriculum which promotes quality physical activity while building social/personal skills. Skill building in the areas of arts, science, and nutrition will be supplemented through enrichment contractors who will provide fun and engaging activities. Peace Education curriculum will be used for the social emotional learning component.

The nutrition component will be supported by FLIPANY which will offer free snacks and supper in AS that meet the USDA standards, and the Village Youth Services Inc. will supply nutritional lunches and snacks in SC. Family and community involvement is encouraged through parent orientations/workshops and PBL showcases.

ATTACHMENT B
OTHER FISCAL REQUIREMENTS, BUDGET and METHOD OF PAYMENT

Budget amendments/revisions

Budget amendments/revisions require written approval from the Contract Manager and The Children's Trust's Chief Financial Officer or their designees. Request for budget amendments/revisions must be submitted to a Contract Manager using SAMIS, or the appropriate form, as designated by The Children's Trust. All budget amendments/revisions are subject to final approval by The Children's Trust. Budget amendments/revisions cannot be used to increase the total Contract amount or to modify the Scope of Services. No more than two budget amendments/revisions may be approved during the Contract term. Budget amendments/revisions will be disallowed if they seek to revise retroactive costs not previously budgeted. All amendments/revisions must adjust for operational activity effective as of the previously billed period. Budget amendment/revision requests must be submitted sixty (60) days prior to the expiration of Contract. Budget amendments/revisions will be incorporated into the Contract.

Invoice/ Request for Payment Requirements

Provider and/or Seller shall submit an original request for payment, utilizing the format prescribed by The Children's Trust and in accordance with the approved budget or approved budget revision(s). This format may entail the electronic submission of a request for payment in the SAMIS system in accordance with the approved budget or budget amendments/revisions, paper invoice, spreadsheet, or other submission method. The Children's Trust will notify the Provider and/or Seller the method of submittal. All invoices shall be submitted by the Provider and/or Seller to The Trust at: accountspayable@thechildrenstrust.org and to the Provider and/or Seller's Trust staff member assigned to this contract. The invoice must include The Trust's issued Purchase Order (PO) number. Submissions to accountspayable@thechildrenstrust.org must contain only the invoice and no additional correspondence. Attachments and other documentation included with the invoice will render the invoice as being not properly submitted. The request for payment is due on or before the fifteenth (15th) day of the month following the month in which expenditures were paid (exclusive of legal holidays or weekends). The Children's Trust will consider all invoices received after the fifteenth (15th) of each month as late, even if the cause of a late submission is due to the delayed approval of a budget or amendment in the SAMIS system. The Children's Trust agrees to reimburse Provider and/or Seller on a monthly basis. Any expense, included on an invoice relating to a reimbursement request that pertains to a check dated greater than two months prior to the invoice period will not be approved. The Children's Trust reserves the right to request any supporting documentation related to this Contract.

A final request for payment (last monthly invoice of the Contract term) from Provider and/or Seller will be accepted by The Children's Trust up to forty-five (45) days after the expiration of this Contract. If Provider and/or Seller fails to comply, then all rights to payment shall be forfeited.

If The Children's Trust determines that Provider and/or Seller has been paid funds, which are not in accordance with **this** Contract, and to which it is not entitled, then Provider and/or Seller shall return such funds to The Children's Trust or submit appropriate documentation to support the payment within thirty (30) days of notification by The Children's Trust. After thirty (30) days, The Children's Trust may recapture amounts due to The Children's Trust, from this or any Contract by reducing amounts requested to be reimbursed less the amount owed to The Children's Trust. The Children's Trust shall have the sole discretion in determining if Provider and/or Seller is entitled to such funds **in accordance with this Contract**. The Children's Trust decision on this matter shall be binding.

In the event that Provider and/or Seller, its independent CPA firm or The Children's Trust discovers that an overpayment has been made, Provider and/or Seller shall repay the overpayment within thirty (30) calendar days without prior notification from The Children's Trust.

If Provider and/or Seller fails to serve the number of participants and/or fails to utilize the funds in accordance with the Contract, then The Children's Trust may amend the Contract to reduce the amount of dollars. Any delay in amendment by The Children's Trust is not deemed a waiver of The Children's Trust right to amend or seek reimbursement for under-serving participants in accordance with the Contract.

A request for payment will be deemed proper as defined by the Florida Prompt Payment Act, if the request complies with the requirements set forth in this Contract and is submitted on the forms prescribed by The Children's Trust. Requests for payment and/or documentation returned to Provider and/or Seller for corrections may be cause for delay in the receipt of payment. Late submission may result in delay in the receipt of payment. The Children's Trust shall pay Provider and/or Seller within thirty (30) calendar days of receipt of Provider and/or Seller's properly submitted Request for Payment (i.e., invoice) and/or other required documentation.

The Children's Trust may retain any payments due until all required reports, deliverables, or monies owed to The Children's Trust are submitted and accepted by The Children's Trust.

Indirect Administrative Costs

In no event shall The Children's Trust fund indirect administrative costs in excess of ten (10%) percent of the total Contract amount.

Match Requirement \$0.00

Programs requiring a match if required in the respective solicitation, which is defined as cash or in-kind contributions including non-federal cash dollars, donated items, and/ or services that are part of the overall cost of operating the program, should be reasonable, necessary, and/or required for the program. Matching funds do not include The Children's Trust funds.

The Children's Trust reserves the right to ask for substantive documentation to support the match at any time and such documentation must be presented to Provider and/or Seller's independent auditors as part of their annual financial statement audit.

Direct Deposit of Payment

As a requirement of this Contract with The Children's Trust, Provider and/or Seller agrees that prior to, or on the date commencing the effective term of this Contract, Provider and/or Seller will enroll in The Children's Trust direct deposit program. The direct deposit program requires that all reimbursements received from The Children's Trust are directly deposited into the Provider and/or Seller's designated bank account held in a United States financial institution. The format, including the terms and conditions for the direct deposit of payment, can be found on The Trust's website .

Cost Reimbursement Method of Payment

The parties agree that this is a cost reimbursement method of payment Contract; Provider and/or Seller shall be paid in accordance with the approved budget and/or approved budget amendments/revisions as set forth in this attachment. Provider and/or Seller also agrees to pay its subcontractors, vendors and employees for the fulfillment of services provided in this Contract, on a timely basis. If there are subcontractors to this Contract, the 'Attestation of Payment' form must be included in the Request for Payment. These forms may be downloaded from The Trust's website. For the purpose of payment only, a subcontractor is defined as an independent agency that has entered into agreement with Provider and/or Seller to perform services pertaining to The Children's Trust funded programs identified in this Contract.

Deliverable-Based Method of Payment

The parties agree that this is a deliverable based Contract, and Provider and/or Seller will be paid based on acceptance by The Children's Trust of deliverables as outlined in Attachment A. Provider and/or Seller will submit required reports and/or deliverables in accordance with the deliverable schedule set forth in Attachment A or in Attachment B if not included in Attachment A. If Provider and/or Seller fails to submit approved deliverables in accordance with the Contract, The Children's Trust may amend the Contract to reduce the amount of dollars representing the deliverables not provided. Any delay in amendment by The Children's Trust is not deemed a waiver of The Children's Trust's right to amend or seek reimbursement for deliverables not provided in accordance with the Contract.

Provider and/or Seller also agrees to timely pay its subcontractors, vendors, and employees for the fulfillment of services provided in this Contract. Every request by Provider and/or Seller for payment for services provided, work performed, or costs incurred pursuant to this Contract, except for any advanced payments by The Trust, shall be accompanied by a Request for Payment from The Children's Trust. If there are subcontractors to this Contract, the 'Attestation of Payment' form must be included in the Request for Payment. These forms may be downloaded from The Trust's website. For the purpose of payment only, a subcontractor is defined as an independent agency that has entered into agreement with Provider and/or Seller to perform services pertaining to The Children's Trust funded programs identified in this Contract.

Advance payment requests

The Children's Trust offers advance payments up to 15% of the total Contract value. The Children's Trust will only approve advance requests that are equivalent to the total amount of the first two (2) months programmatic expenditures and up to 15% of the total Contract value. Determinations of programmatic expenditures will be supported by the immediate prior year's performance or a detailed listing of estimated expenditures. Advance requests shall be limited to governmental entities and not-for-profit corporations, in accordance with subsection 216.181(16)(b), F.S. Advance requests must include the amount requested and a justification for the request. Advance requests must be submitted using the designated form and must be approved in writing by The Children's Trust's Contract Manager and Chief Financial Officer or their designee. Advance payments are made at and within the sole discretion of The Children's Trust.

Advance repayment

Advance repayment is due within sixty (60) calendar days of receipt of the advance. Provider and/or Seller shall report the amount of the advance repayment in SAMIS using the "advances/adjustments" button on the SAMIS reimbursement screen. If a Provider and/or Seller does not use SAMIS, the Provider and/or Seller is required to deduct its advance repayment from each invoice, consecutively, until the advance is repaid in full.

List of Approved Certified Public Accountants or Certified Public Accounting Firms

To receive reimbursement for the preparation of the program specific audit, as defined, Provider and/or Seller must choose

from a list of approved independent Certified Public Accounting (CPA) firms, which are posted on The Children's Trust website. Inclusion in this pre-approved vendor pool requires that a CPA firm meet the following three criteria:

- (a) participation in either the American Institute of Certified Public Accountants (AICPA) or the Florida Institute of Certified Public Accountants (FICPA) peer review program as evidenced by submitting a triennial System Review Report with a passing score to The Children's Trust;
- (b) providing documentation that a CPA firm, or one of its associates, has adequate experience in governmental accounting and/or nonprofit accounting with the application of Government Auditing Standards; and
- (c) completion of an annual CPA training session sponsored by The Children's Trust finance department.

Supporting Documentation Requirements

Provider and/or Seller shall maintain original records documenting actual expenditures and services provided according to the approved budget and Scope of Services. Supporting documentation shall be made available and provided to The Children's Trust upon request.

Provider and/or Seller shall keep accurate and complete records of any fees collected, reimbursement or compensation of any kind received from any client or other third party, for any service covered by this Contract, and shall make all such records available to The Children's Trust upon request. Provider and/or Seller shall maintain a cost allocation methodology that is used to allocate its costs to ensure that The Children's Trust is paying only its fair share of costs for services, overhead and staffing devoted to the program funded by this Contract. Such methodology shall be made available to The Children's Trust upon request.

ATTACHMENT C: Data Requirements and Program Progress Metrics

The Children's Trust requires collecting ongoing measures on the quantity, quality and impact of service efforts. The purpose of data collection, reporting and analysis is to promote continuous improvement in program quality and participant outcome achievement. Contract-specific reporting requirements are identified in Attachment A – Scope of Services.

The Program Metrics tool can be found on the Children's Trust website and it details the components that are regularly reviewed by Trust staff or approved contractors. These components—as well as the way they are rated—are specific to the initiative and can be revised throughout the funding cycle.

Successful programs regularly monitor the quality of their own implementation at the site level, offer staff training and coaching on program components, and incorporate feedback from participants and staff.

Data requirements:

As applicable, provider is expected to collect and enter demographic, attendance, screening, and assessment data in a timely manner, while incorporating practices that ensure data quality and integrity. Data must be collected using the appropriate tools (e.g., required demographic fields can be found in the **Child and Adult Information Forms** found on The Children's Trust website) and entered in a timely manner into the Trust's approved data system. All data entered must be reviewed and validated by the provider no later than the 15th of month following the month in which services were delivered.

As applicable, provider may also be expected to complete a Program Narrative Report (see initiative specific requirements—including timing—in the **Initiative Specific Reporting Requirements** in The Children's Trust website) that captures a brief account of the program's successes, challenges, and supports needed.

With each submission, the provider attests, based on his/her best knowledge, information and belief, that all data submitted in conjunction with the reports are accurate, truthful and complete. The trust and approved partners shall use and analyze this data for evaluation and strategic planning purposes.

Program Progress Metrics:

- Compliance Items: Provider shall fulfill all applicable compliance items specified in the safety, administrative and fiscal compliance component in the Program Metrics tool, as well as in the **Required Documentation Checklist** posted on The Children's Trust website.
- Quarterly or Yearly Growth Plan: In partnership with the Contract Manager, the provider will develop and implement Growth Plans up to four times per contract year. A **Growth Planning Guidance Document** with additional information can be found on The Children's Trust website.

Additional Program Continuous Quality Improvement Requirements:

Provider must ensure appropriate staff and subcontractors attend various Trust-sponsored or facilitated trainings. **Training requirements by initiative** are detailed on The Children's Trust website. At a minimum, staff will be required to attend the following annually:

- Contract management trainings
- The Children's Trust provider meetings
- SAMIS training for budgets, amendments, invoices, SAMIS programmatic and reports trainings
- Content-specific trainings related to program quality and performance measures (e.g., Injury Free, ACT, Project RISE, evidence-based programs, and measurement tools).

Attachment D Program-Specific Audit Requirements

The Program-Specific Audit must encompass an audit of The Children’s Trust Contracts in accordance with **Section O: Records, Reports, Audits and Monitoring** of this Contract. The comprehensive nature of auditing performed in accordance with the standards set forth below places on the independent certified public accounting firm (CPA) the responsibility for ensuring that (1) the audit is conducted by personnel who have the necessary skills; (2) independence is maintained; (3) applicable standards are followed in planning and conducting audits and reporting the results; (4) the organization has an appropriate internal quality control system in place; and (5) the organization undergoes an external quality control review.

Program-Specific Audits must be conducted in compliance with AU-C 935 and are required to include performing tests of controls over compliance.

An auditor’s risk assessment must include an expectation of the operating effectiveness of controls over compliance, and in doing so, the assessed control risk must be assessed at low during the planning stage. If the auditor determines a lack of controls and identifies risk of material noncompliance that demonstrates internal controls do not exist or are not effective regarding the compliance requirement, a response to such risks should be developed, and a finding (significant deficiency or material weakness) should be reported.

The auditor’s test work and sample size of each compliance requirement should be the result of the assessed level of inherent risk and control risk as it relates to each compliance requirement as stated in The Children’s Trust Contracts.

The Program-Specific Audit requires the following components (a sample format may be found on The Children’s Trust website):

1. Independent Auditor’s Report on the Schedule of Expenditures of The Children’s Trust Contracts
2. Schedule of Expenditures of The Children’s Trust Contracts
3. Notes to Schedule
4. Independent Auditor’s Report on Compliance for each of The Children’s Trust Contracts and Report on Internal Control over Compliance
5. Schedule of Findings and Questioned Costs

At a minimum, the auditor must include the following tests in its audit program to ensure that the compliance requirements set forth in The Children’s Trust compliance supplement are met. They are:

The Children’s Trust Compliance Supplement to the Program-Specific Audit:

Compliance Requirement	Program-Specific Audit Implication	Example
a) Internal Controls	<p>1) An auditor’s risk assessment must include an expectation of the operating effectiveness of controls over compliance, and in doing so, the assessed control risk must be assessed at low during the planning stage. If the auditor determines a lack of controls and identifies risk of material noncompliance that demonstrates internal controls do not exist or are not effective regarding the compliance requirement, a response to such risks should be developed, and a finding (significant deficiency or material weakness) should be reported.</p> <p>The auditor’s test work and sample size of each compliance requirement should be the result of the assessed level of inherent risk and control risk as it relates to each compliance requirement as stated in The Children’s Trust Contracts</p>	A) Controls tested during the financial statement audit may not consider compliance as it relates to The Children’s Trust’s Contract. Overall control risk must consider each compliance requirement tested during the Program-Specific Audit. Separate risk assessment procedures and materiality should be performed and generated for a Program-Specific Audit.

<p>b) Budget vs. Actual Expenditures</p>	<p>1) The approved budget is to include the original approved Contract as well as any approved budget amendments/revisions.</p>	<p>A) Test work should include a schedule identifying each Contract and its original/ amended budget, monthly billings, Contract utilization and any analytical expectations that may identify any overbillings.</p> <ul style="list-style-type: none">i. The current Children's Trust electronic system does not allow providers to overbill any budgeted line item or Contract allocation, however, if Contract utilization is greater or less than expected, this could indicate that a budgeted salary rate is not the employee's actual rate. Provider must compensate employees at the rate stated on the budget. Any difference in rate would warrant a finding in the Program-Specific Audit Report.
--	---	--

<p>c) Allowable/Unallowable Activities and Costs</p> <p>Common unallowable costs:</p> <ol style="list-style-type: none"> 1. Salary rates, payroll methods and hours billed that do not match original or amended budgets. 2. Fringe benefits billed to The Children's Trust for employees not included in Contract budget and are unrelated to the program. 3. Professional services billed within regular salaries and wages. 4. Capital purchases disguised as repairs. 5. Sales taxes and tips. 6. Fuel. 7. Food and beverage costs for parties, celebrations, end-of-program events, and conferences or conventions, unless while attending an out-of-town conference or convention. 8. Monetary gift cards as incentives. <p>A detailed listing of all costs and activities considered allowed and unallowed can be viewed in the Budget Guidelines form on The Children's Trust website.</p>	<ol style="list-style-type: none"> 1) Requires that the nature of services and type of costs paid are in agreement with the contractual budget and/or budget amendment/revision's Scope of Services and budget guidelines. AND/OR Requires that activities performed or costs paid with The Children's Trust funds are listed in the contractual budget narrative or a contractual budget amendment/revision narrative. 2) Any cost or service billed that is not approved in the Contract's budget is a finding and reported as a questioned cost on the Program-Specific Audit Report. 3) If any cost or service is billed in more than one Contract, and the billings are in excess of the total disbursement or approved allocation, the expense has been overbilled or double billed and should be considered a finding. 4) The Children's Trust funds must supplement a program; supplanting of funds is unallowable. A provider may not use Contract funds to defray any costs that the recipient already is obligated to pay. (See example F.) 	<p>A) If Provider asks to be reimbursed for six (6) field trips to teach children social skills, only field trips enumerated in either the contractual budget narrative or the contractual Scope of Service will be reimbursed.</p> <p>B) If the contractual budget, lists a program coordinator position at \$25.00/hour, the provider must pay the program coordinator and charge The Children's Trust \$25.00/hour. The provider cannot substitute funding identified for the program coordinator to any other position.</p> <p>C) If the contractual budget, lists a program coordinator's position, with dedicated time charged to The Children's Trust program of 25%, the provider must keep records of an employee's time to substantiate that 25% of time was in fact earned and charged to The Children's Trust program.</p> <p>D) If three Contracts list a program coordinator's total budgeted salary as \$100,000.00 and each Contract will reimburse \$35,000.00 (35%), then a possible overbilling of \$5,000 may have occurred (\$35,000.00*3=\$105,000.00 or 35%*3=105% Children's Trust salary allocation).</p> <p>E) If an invoice is submitted to The Children's Trust that includes food charges for end-of-year parties and celebrations, those costs are NOT allowable per The Children's Trust budget guidelines and cannot be paid by The Children's Trust.</p> <p>F) If a provider, prior to applying to participate in the contracted program, committed to purchase 10 new computers for another program, the provider must purchase those 10 computers in addition to any other computers requested for The Children's Trust program.</p>
<p>d) Cash Management</p>	<ol style="list-style-type: none"> 1) With the exception of the last month of the Contract period, monthly invoices must represent costs actually paid during the Contract period (cash basis), rather than costs incurred or accrued. 	<p>A) If payroll is paid on 3/31, it should be disclosed in March's reimbursement.</p> <p>B) If payroll is paid on 4/1, but represents time charged in March, it should be disclosed in April's reimbursement.</p>

<p>e) Period of Availability</p>	<p>1) Requires provider to charge The Children's Trust grant with only allowable costs resulting from obligations incurred during the funding period.</p>	<p>A) If the active Contract period extends from 8/1 through 7/31, and provider expends \$250.00 for office supplies on 9/30 during said Contract period, that expenditure must support program services performed during the Contract term.</p> <p>B) The following items warrant the most attention at the beginning and end of Contract periods:</p> <ul style="list-style-type: none"> i. Payroll from expired Contracts is not allowed to be billed in the first month of the renewed Contract if it was paid during the invoiced month but was incurred in prior Contract. Reporting requirements for final invoice allow this payroll to be expensed and reimbursed in prior Contract. Only the portion of payroll incurred during the Contract period may be billed. ii. Utilities iii. Insurances
----------------------------------	---	---

<p>f) Special Provisions</p>	<p>1) Eligibility requirements related to Contract expectations such as type of participants served, number of participants served and background checks should NOT be tested as part of The Children's Trust Program-Specific Audit. The Program-Specific Audit is meant to test the fiscal viability of the provider. Therefore, certain-Contract provisions that support the fiscal viability of the provider should be tested.</p>	<p>Each of the following special provisions must be tested:</p> <p>A) Insurance requirements (further described in Section K: Insurance Requirements of this Contract)</p> <ul style="list-style-type: none"> i. Auditor should determine if all applicable insurance policies were carried during the fiscal year. <p>B) Proof of tax status (further described in Section L: Proof of Tax Status of this Contract)</p> <ul style="list-style-type: none"> ii. Auditor should vouch that applicable documents verifying that all incurred payroll and unemployment taxes have been paid. <p>C) Data security obligation (further described in Section O: 12 of this Contract)</p> <ul style="list-style-type: none"> i. Auditor should obtain and/or understand the provider's data security policy. <p>D) Subcontractor agreements (if applicable)</p> <ul style="list-style-type: none"> i. Auditor should obtain and understand any agreements made with subcontracted parties. Additionally, the auditor should obtain and understand any provider monitoring procedures. <p>E) Matching Funds</p> <ul style="list-style-type: none"> i. In some cases, a required match is contracted. This will be indicated in Section C: Total Funding of this Contract. Verify the applied method the provider uses to satisfy match requirements. Also, verify that provider maintains documentation to back up match requirements.
------------------------------	---	---

The independent auditor's report shall state that the audit was conducted in accordance with: (1) auditing standards generally accepted in the United States of America; (2) the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and (3) the Program-Specific Audit Requirements listed in The Children's Trust Contract.
