This replaces the Mental Health exclusion section on the Benefit Summary:

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatments for R & T code conditions as listed within the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep-wake disorders, feeding disorders, binge eating disorders, sexual dysfunction, communication disorders, motor disorders, neurological disorders and other disorders with a known physical basis. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilic disorder. Educational services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Motor disorders and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Intellectual disabilities as a primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Autism spectrum disorder as a primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Benefits for autism spectrum disorder as a primary diagnosis are described under Neurobiological Disorders - Autism Spectrum Disorder Services in Section 1 of the COC. Mental Health Services as a treatment for other conditions that may be a focus of clinical attention as listed in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. All unspecified disorders in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Health services and supplies that do not meet the definition of a Covered Health Service – see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which we determine to be all of the following:

- Medically Necessary.
- Described as a Covered Health Service in Section 1 of the COC and in the Schedule of Benefits.
- Not otherwise excluded in Section 2 of the COC.

This replaces the Neurobiological Disorders-Autism Spectrum Disorder exclusion section on the Benefit Summary:

Any treatments or other specialized services designed for Autism Spectrum Disorder that are not backed by credible research demonstrating that the services or supplies have a measurable and beneficial health outcome and therefore considered Experimental or Investigational or Unproven Services. Intellectual disability as the primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor disorders and communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association and which are not a part of Autism Spectrum Disorder. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilic disorder. All unspecified disorders in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Intensive behavioral therapies such as applied behavioral analysis for Autism Spectrum Disorder.

Health services and supplies that do not meet the definition of a Covered Health Service – see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which we determine to be all of the following:

- Medically Necessary.
- Described as a Covered Health Service in Section 1 of the COC and in the Schedule of Benefits.
- Not otherwise excluded in Section 2 of the COC.

This replaces the Substance Use Disorders exclusion section on the Benefit Summary:

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents. Educational services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Substance-induced sexual dysfunction disorders and substance-induced sleep disorders. Gambling disorders. All unspecified disorders in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Health services and supplies that do not meet the definition of a Covered Health Service – see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which we determine to be all of the following:

- Medically Necessary.
- Described as a Covered Health Service in Section 1 of the COC and in the Schedule of Benefits.
- Not otherwise excluded in Section 2 of the COC.

This Benefit Summary Addendum is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary Addendum conflicts in any way with the Summary Plan Description (SPD), the SPD shall prevail. It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.
