Immaculate Concep-
tion Catholic School
Government Class
Visits City Hall

April 30, 2010

Upcoming Events:

- July 4, 2010 - Fourth of July Celebration in the Milander Stadium at 7:00 p.m.

Dear Friends,

As the school year comes to an end, I would like to take this opportunity to wish you all a great and safe summer. The City of Progress continues helping the youth of our community. I look forward to seeing all of you at our upcoming events over the summer.

Hialeah Educational Academy Visits Civic offices: On April 26, 2010 Hialeah Educational Academy students visited City Hall, the Hialeah Court House, and the Hialeah Fire Administration including the communications office. This trip helped give those students who are studying for a career in public service, insight on municipal government. The Hialeah Educational Academy serves as a training ground for students to gain both a formal high school education and the necessary technical skills to be leaders of tomorrow as police officers, fire fighters, and emergency communication personnel.

Comcast Cares Day: The City of Hialeah Parks and Recreation Department provides quality recreational programs for adults with disabilities at Edgar J. Hall Special Population Center, which is home to the largest Special Olympics delegation in Miami-Dade County. On April 24, 2010 the City of Hialeah and Comcast joined in an effort to give the building a make over, as well as to beautify the grounds.

Hialeah Police Memorial: On May 6, 2010 the Hialeah Police Department held its annual Police Memorial Ceremony. The Ceremony served to honor three Police Officers and one Crime Scene Technician fallen in the line of duty: Office Hugo Becker, Officer Emilio Miyares, Sergeant Pedro Cainas and Crime Scene Technician Rene Mateo. The fallen brothers made the ultimate sacrifice for all of those who are still

in the line of duty.

Telecommunications Information Day: On May 10, 2010 over two hundred seniors received training on the use of their home and cell phones for Telecommunication Information Day held at Goodlet Adult Center. Volunteers from AT&T, AARP and Oasis Linking Solutions were on hand to instruct the seniors on the usage of their phones, and also to help those qualified to apply for free phone service. Some of the services that were offered at the event included how to save money on your home telephone bill, computer/internet/broadband information training, free home phone for the hearing impaired, and several others.

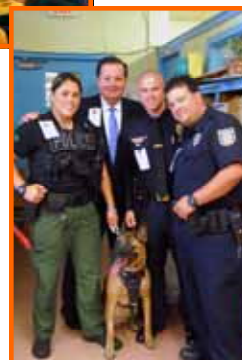

Career Day's

- Hialeah Elementary
- North Hialeah Elementary
- Twin Lakes Elementary

In the months of April and May, Mayor Robaina has participated in several Career Day events. Mayor Julio Robaina spoke to the kids about what it takes to run a city and what are the different aspects of our city government.

- Palm Lakes Elementary
- South Hialeah Elementary
- Palm Springs Elementary
