

Free Medications

Good news. Save money and feel better with the Publix Pharmacy FREE Medications Program.

At Publix, we're always looking for ways to make your life easier. And helping you manage healthcare costs is no exception. That's why we're proud to offer a variety of some of the most-often prescribed medications to you absolutely free.

It doesn't matter who your prescription insurance provider is or the number of prescriptions you need filled. There's no limit to the number of refills and no forms to fill out. How's that for easy?

Hurry and drop your prescription off at your neighborhood Publix Pharmacy and get the generic medication you need, free. Bet you're feeling better already.

NEW at your Publix Pharmacy: FREE Lisinopril!

An ACE inhibitor, lisinopril is used to prevent, treat, or improve symptoms of high blood pressure, certain heart conditions, diabetes, and certain chronic kidney conditions. Get a 30-day supply of this vital prescription FREE* only at your Publix Pharmacy.

* Maximum of 30 days supply (up to 60 tablets). Lisinopril-HCTZ combination products excluded.
