About Global Rescue

Global Rescue is the premier provider of worldwide travel assistance services and crisis response. Global Rescue supplies the very best travel advisory and evacuation services during medical and non-medical emergencies for hundreds of thousands of individuals, corporations, organizations, government agencies, athletic teams, and expeditions globally.

Services provided by Global Rescue LLC are their sole responsibility. The services are not affiliated with Minnesota Life, Securian Life or its group contracts and may be discontinued at any time.

Terms and conditions: Global Rescue LLC (GR) shall not evacuate or repatriate you if GR, in its sole discretion, determines that such transport is not medically advisable or necessary or the condition can be treated locally. GR reserves the right to determine if a non-medical situation warrants evacuation for security purposes. GR reserves the right to suspend or withhold services pending verification of eligibility. Certain terms, conditions and restrictions that are a condition for using the services apply. For a complete list, visit www.LifeBenefits.com/travel or contact Global Rescue.

What immunizations do I need before traveling?

What if I run out of my medication?

What if the nearest health care facility can't treat my illness or injury?

If I have an accident, how can I get in touch with my family?

Emergencies can happen anywhere

As part of your group life insurance benefit program, all insureds, their spouses and dependent children have access to Global Rescue's travel assistance services. The services are available 24/7/365 for emergency assistance, transport services, and pre-trip resources, when traveling 100 or more miles away from home.

No additional premium or enrollment is required. Just access these services as you need them.
