(COVID-19-COH-EO-48)**

WHEREAS, on March 9, 2020, Governor Ron DeSantis issued Executive Order Number 20-52 declaring a state of emergency for the State of Florida as a result of the threat of the spread of Coronavirus Disease 2019 (COVID-19) and the declaration having been extended through Executive Order Numbers 20-114, 20-166, 20-213 and again for 60 days on November 3, 2020 through Executive Order Number 20-276; and

WHEREAS, on March 12, 2020, County Mayor Carlos Gimenez also declared a countywide state of emergency in response to the first reported case of coronavirus infection in Miami-Dade County and the County continues to extend its declaration of emergency as required by law; and

WHEREAS, since the execution of the Thirty-fourth Extension to Emergency Order issued Monday, March 16, 2020 at 10:23 a.m., for the City of Hialeah, the County continues to experience a rise in the positivity rate, hospitalizations and intensive care bed occupancy as a result of COVID-19 as do many states around the nation; and

WHEREAS, in response, states begin to explore less restrictive means of preventing spread than complete shut downs; and

WHEREAS, Chapter 252, Florida Statutes, gives authority to political subdivisions to declare a state of local emergency for a limited duration, thereby waiving the procedures and formalities otherwise required of the political subdivision by law; and

WHEREAS, Coronavirus Disease 2019 (COVID-19) requires extraordinary and immediate actions by the City of Hialeah in order to maintain order and protect the life, health, safety and welfare of the public;

THEREFORE, in response to impending risk to the life, health, safety and welfare posed by Coronavirus Disease 2019 (COVID-19) and pursuant to the authority provided by Chapter 252.38 and in furtherance of all national, state and county emergency orders issued to date;

In order to safeguard the life, health, safety and welfare of the residents of the City of Hialeah;  
and

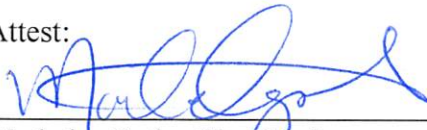

In an attempt to slow the spread and mitigate the potential impact of Coronavirus Disease;

I HEREBY FIND AND DECLARE THAT:

1. A state of local emergency continues to exist in the City of Hialeah, Florida. The initial declaration of emergency made on March 16, 2020 as extended through November 16, 2020, is hereby extended for an additional seven (7) days until November 23, 2020.
