POSED BY CORONAVIRUS DISEASE 2019 (COVID19)
(COVID-19-COH-EO-50)**

WHEREAS, on March 9, 2020, Governor Ron DeSantis issued Executive Order Number 20-52 declaring a state of emergency for the State of Florida as a result of the threat of the spread of Coronavirus Disease 2019 (COVID-19) and the declaration having been extended through Executive Order Numbers 20-114, 20-166, 20-213 and again for 60 days on November 3, 2020 through Executive Order Number 20-276; and

WHEREAS, on March 12, 2020, County Mayor Carlos Gimenez also declared a countywide state of emergency in response to the first reported case of coronavirus infection in Miami-Dade County and newly elected County Mayor Daniella Levine-Cava continues to extend the County's declaration of emergency as required by law; and

WHEREAS, although we have reached an unprecedented number of daily positive cases in the State and nationwide, and the anticipated death toll by mid-December is pegged between 294,000 and 321,000 American lives, there are hopeful news about the roll out of a couple of vaccines as early as March 2021; and

WHEREAS, Chapter 252, Florida Statutes, gives authority to political subdivisions to declare a state of local emergency for a limited duration, thereby waiving the procedures and formalities otherwise required of the political subdivision by law; and

WHEREAS, Coronavirus Disease 2019 (COVID-19) requires extraordinary and immediate actions by the City of Hialeah in order to maintain order and protect the life, health, safety and welfare of the public;

THEREFORE, in response to impending risk to the life, health, safety and welfare posed by Coronavirus Disease 2019 (COVID-19) and pursuant to the authority provided by Chapter 252.38 and in furtherance of all national, state and county emergency orders issued to date;

In order to safeguard the life, health, safety and welfare of the residents of the City of Hialeah;
and

In an attempt to slow the spread and mitigate the potential impact of Coronavirus Disease;

I HEREBY FIND AND DECLARE THAT:

1. A state of local emergency continues to exist in the City of Hialeah, Florida. The initial declaration of emergency made on March 16, 2020 as extended through November 30, 2020, is hereby extended for an additional seven (7) days until December 7, 2020.

Consistent with all State Executive Orders and the SAFER AT HOME protocols promulgated by Miami-Dade County, the emergency management powers as provided by Chapter 252, Florida Statutes, and the City Charter, as Mayor of the City of Hialeah I invoke all legal powers to take whatever reasonable prudent actions and issue any and all orders as are necessary within the City of Hialeah to protect the life, health, safety, and welfare of the community and to carry out the provisions of Florida Statutes Sections 252.31 through and including 252.90.
