Notice is hereby given that the Planning and Zoning Board of the City of Hialeah will hold a regular **Public Meeting at 6:00 p.m. on Wednesday, March 24th, 2021.**

Pursuant to emergency management powers as set forth in F.S. §§252.31-252.90, Governor Ron DeSantis issued Executive Order 20-69 (March 20, 2020), suspending the "Florida's Government in the Sunshine Laws" requirement that a quorum of the legislative body holding a public meeting be met in-person and that the meeting be held at a physical location accessible to the public for the duration of the State's Declaration of Emergency issued on March 9, 2020 (EO20-52) as a result of the COVID-19 pandemic affecting the State of Florida. The nation and the State of Florida remain in a state of emergency. The Governor has extended the declaration every 60 days, as required by law, since the execution of Executive Order 20-52. The latest extension made through the execution of Executive Order 20-276 (November 3, 2020).

Notwithstanding the continuing statewide threat of COVID-19 to the health, safety and welfare of our citizens, Executive Order 20-69, issued specifically to allow local governments to use communications media technology to hold public meetings during the public health emergency, has expired as of 12:01 a.m. November 1, 2020 (EO 20-246). As such, all public meetings in this City of any deliberative body must comply with the in-person quorum requirement of the Sunshine Law. This means, all Planning and Zoning board members must be present in-person.

This public meeting will be broadcast live for members of the public to view on the City's Facebook page (@CityofHialeah).
